8.4. The Pavilion and Recreation Ground- a. To consider update on cricket shed	
Cllr Jason Downes reported that two recent meetings had been scheduled to discuss the cricket shed, but both had been rained off. Cllr Kath Acres stated her concern over the health & safety of the area and building. The Clerk was asked to chase the Planning Department at Buckinghamshire Council for a reply to the council's request to talk to a planning officer to move forward the project. <b>b. To consider report from Bourne End Junior Sports Club</b>	Clerk
Ken Murphy, representative of Bourne End Junior Sports Club, joined the meeting to bring to the council's attention that the recreation ground has been deemed unsafe to play football upon due to the rabbit holes, again this coming football season. The season was due to start in September.	
Ken highlighted that it is nearly two years since Bourne End Junior Sports Club first identified the issue and the club have made various attempts to fill in the holes to get the pitch back to a playable state. Bourne End Junior Sports Club and the Parish Council have liaised on this matter and the Parish Council have arranged two rabbit eradication exercises during this time, but the holes have been dug out again by the rabbits. Councillors discussed the fact that the second rabbit eradication visit had not been successful and that beyond rabbit proofing the recreation ground with fencing, which would be extortionately expensive, having taken advice the hope was that nature would take its course and myxomatosis would impact rabbit numbers over the winter.	
At a previous Parish Council meeting it was resolved to buy topsoil to enable Bourne End Junior Sports Club to refill the rabbit holes, but after further consultation with Ken Murphy it was agreed not to buy topsoil as filling the holes was a losing battle.	
The Council <b>RESOLVED</b> to meet with Ken Murphy in the springtime, when the grass is shorter and holes more evident, to establish whether play was possible next season. Ken Murphy voiced his concern that the danger is that the football pitch will not be in a fit state to use after a long history of use by Bourne End Junior Sports Club.	
Cllr A Crabtree questioned whether neighbouring landowners were responsible for rabbit control and Cllr Jason Downs agreed to talk to Carrington Estates about rabbit numbers on their land.	
Ken Murphy also asked the parish council to report the two sets of bollards along the Marlow Road, which were not working, and which he had reported in the past. The Clerk was asked to action with Fix My Street and Highways.	
8.5 General-	
<b>a.</b> To consider proposal to convert streetlights to LED Cllr S Kershaw talked the council through the proposal and confirmed that the proposal does not include removal or addition of streetlights. The aim was to write a street lighting policy following implementation of the project to enable residents to request further lights.	
A local resident took part in public participation and commended Cllr S Kershaw on the report he had prepared. A request was raised to consider light shining into homes, and especially bedrooms. The resident was in favour of lights being switched off between the hours of 1-5am.	
Cllr S Kershaw confirmed that directional measures would be part of the initial survey and that there will be a period following installation of adjustments. He also confirmed that the lights would conform to British standards for appropriate levels of lighting in different areas.	
Cllrs S Kershaw and J Downes agreed to consider black spots within the parish and also to sort out potholes in footpaths. Cllr David Johncock suggested that Cllr David Watson be involved to work with LAT.	
Cllr A Crabtree asked that parishioners are communicated with, and that safety was considered, throughout the project.	
The Council <b>RESOLVED</b> to go ahead with the LED conversion project, due to apparent future cost savings, to be implemented in spring next year. The lighting timing would be reviewed after a year and if the project tenders were received and above £25k the parish council would revisit the project.	
	had been rained off. ClIr Kath Acres stated her concern over the health & safety of the area and building. The Clerk was asked to chase the Planning Department at Buckingbamshic Council for a reply to the council's request to talk to a planning officer to move forward the project. <b>b. To consider report from Bourne End Junior Sports Club</b> , joined the meeting to bring to the council's attention that the recreation ground has been deemed unsafe to play football upon due to the rabbit holes, again this coming football season. The season was due to start in September. Ken highly, prepresentative of Bourne End Junior Sports Club first identified the issue and the club have made various attempts to fill in the holes to get the pitch back to a playable state. Bourne End Junior Sports Club and the Parish Council have liaised on this matter and the Parish Council have arranged two rabbit eradication exercises during this time, but the holes have been dig out again by the rabbits. Councillors discussed the fact that the second rabbit eradication visit had not been successful and that beyond rabbit proofing the recreation ground with fencing, which would be extorionately expensive, having taken advice the hope was that nature would take its course and myzomatosis would impact rabbit numbers over the winter. At a previous Parish Council meeting it was resolved to buy topsoil to enable Bourne End Junior Sports Club to refill the rabbit holes, but after further consultation with Ken Murphy it was agreed not to buy topsoil as filling the holes was a losing battle. The Council <b>RESOLVED</b> to meet with Ken Murphy in the springtime, when the grass is shorter and holes more evident, to establish whether Jay ways possible next season. Ken Murphy viced havio and holes more evident, to establish whether Jay ways possible next season. Ken Murphy vice bas allow the abult junior Sports Club. Clir A Crabtree questioned whether neighbouring landowners were responsible for rabbit control and Clir Jason Downs agreed to

### b. To consider road safety issue along Marlow Road

The Well End Community Speedwatch Initiative was represented and pointed out that over the last few years there has been an increase in levels of speeding along Sheepridge and Elm Lane. Speeding causes problems for pedestrians, getting in and out of driveways and that it's a miracle no accidents have happened,

The council was made aware that the community speed watch group was set up to cover all of Bourne End and Little Marlow, with the focus on Well End as that is where the issues are seen to lie.

The Well End Community Speedwatch Initiative requested that LMPC support the group in conducting a speed survey at the cost of £424, plus VAT, to provide accurate data.

The Council **RESOLVED** to consider the project further and make contact with Chepping Wycombe Council to discuss and learn from their MVAS experience following Cllr D Johncock's input.

### c. To receive an update on Little Marlow Lakes Country Park

Cllr S Kershaw had circulated the Buckinghamshire Council Little Marlow Lakes Country Park report to cabinet, as well as LMPC's response to the report, to full council.

The Report's Recommendation is to not pursue "formal designation to regularise the status of the whole area" and to "pursue an appropriately sized Country Park on land within its ownership in this location"

Sufficient Buckinghamshire Councillors called in the report to a Select Committee. There were three justifications for call in: legitimacy of legal guidance that council had received, proper establishment accreditation of Country Park and is it satisfactory to provide SANG for Hollands Farm and Slate Meadow. Only third justification was accepted.

Cllr S Kershaw confirmed that the Country Park working group would meet soon to make further plans.

### d. To review and adopt revised Standing Orders and Financial Regulations

The Council <b>RESOLVED</b> to defer until the December meeting.
e. To consider election of members to internal committees and outside body representatives
The Council RESOLVED to elect Cllr R Start to the Environment Committee and Cllr M Wandsworth to
the Social Media Committee. All other committee meetings are open to newly elected members to attend
and it was recommended that all councillors attend Budget Committee Meetings.
f. To consider Parish Council Meeting calendar & festive opening hours
The Council <b>RESOLVED</b> to agree to the parish council meeting calendar and festive opening hours, but to
ravise the committee meeting dates to consider again at the December parish council meeting

revise the committee meeting dates to consider again at the December parish council meeting.

### g. To consider the parish council's social media policy

The Council **RESOLVED** to defer the consideration of the social media policy until the December meeting. Cllr M Wandsworth agreed to draft a revised policy for the social media committee to consider before presenting to full council.
